CUESTA COLLEGE 2019-2020 CATALOG ADDENDUM

The Cuesta College Catalog Addendum represents course and program revisions made since the last publication of the catalog, updates important for students planning on transferring to a UC campus, and corrections to the 2019-2020 Catalog.

This content of this catalog addendum, along with the remainder of the existing 2019-2020 catalog, should now be used by students, faculty, and staff. The addendum notes whether programs are new or modified, if they replace an existing program, and the page number in the 2019-2020 Catalog a change would refer to.

Students are strongly encouraged to seek advice from the Counseling Department and department chairs regarding program requirements in the development of their academic plan. While every effort has been made to ensure the accuracy of the information provided in the catalog and the addendum, Cuesta College reserves the right to make changes as necessary, and to change, without notice, any of the information, requirements, and regulations as required for compliance with State regulations.

BUSINESS & ENTREPRENEURSHIP CENTER

(Services to Business and Industry)

Location: Building 2800, SLO campus; (805) 546-3188.

The Business & Entrepreneurship Center (BEC) program works with private, public and nonprofit resources to build strong, sustainable and successful businesses. The result is wealth creation, job creation and retention and better economic health in California.

By partnering with local, well-respected business growth organizations and community colleges, the BEC and the entrepreneurs they serve can tap into an abundance of resources and the know how already in place, thereby enhancing the long-term growth and viability of these companies. The BEC program supports local economic development corporations, chambers of commerce, community-based business outreach centers and other community-based organizations whose primary mission is to assist small businesses.

The BEC Primary Objectives Include:

Conduct community research; create targeted special projects and services that address the unique needs of the region. The BEC will collect and analyze community data and evaluate the economic needs of the region.

Target existing business clients and/or industry sectors most likely to create economic impacts and retain jobs. Clients and/or industry sectors should also have the potential to achieve significant increases in sales investment, and to boost regional economic wealth.

The BEC will provide fee based-technical assistance (i.e. advanced business consulting services) to regional businesses, industry sectors, city & state agencies, and chambers of commerce thereby, to promote and support growth of the regional economy. Areas of expertise include:

- Marketing Strategies
- Marketing Research
- Strategic Planning
- Growth and Investment Strategies
- Access to Capital
- Financial Analysis
- Operations Analysis
- Operations Management & Improvement
- Customer Service
- E-Commerce
- Economic Research and Analysis
- Business and Contract Law
- International Trade

The Director of Business & Entrepreneurship Center at Cuesta also serves as the Deputy Sector Navigator (DSN) for the Small Business Sector in the South Central Region. The role of the DSN for the Small Business sector, is to create alignment around workforce training and career pathways and coordinate the delivery of training programs in their local area and throughout the region. As the regional liaison, the DSN for the Small Business Sector will communicate sector related best practices to the region, promote sector related careers to K-14, identify new courses in entrepreneurship and/or stackable credentials, and foster faculty professional development.

The grant award is the result of an ongoing reorganization effort of the state's Workforce and Economic Development program titled "Doing What Matters for Jobs and the Economy."

The goals of the "Doing What Matters for Jobs and the Economy" program are to help close the state's "skills gap" by providing in-demand skills training for employers, creating relevant career pathways and stackable credential programs, promoting student success and ultimately helping more Californians find employment.

The Strategy of the Doing What MATTERS for jobs and the economy is a four-pronged framework to respond to the call of our nation, state, and regions to close the skills gap. The four prongs are:

- Give Priority for jobs and the economy
- Make Room for jobs and the economy
- Promote Student Success
- Innovate for jobs and the economy

CALWORKS

Location: SLO campus, The CaFE Center, Room 3142, (805) 546-3144; North County campus, CaFE Programs, **Rooms 1100-1107, Building N1000/N1100 Room N1104** (805) 591-6214.

Resources available online, for the convenience of our students including those attending via distance education:

- CalWORKs/CaFE Intake Form: <https://form.jotform.com/62344175453960>

Cuesta College CalWORKs staff provide supportive and advocacy services for CalWORKs participants who are attending Cuesta College as part of their Welfare-to-Work plan.

Already attending Cuesta College?	If you are receiving cash aid from the Department of Social Services (DSS) and are interested in receiving additional support from the Cuesta College CalWORKs Program call 805-546-3144 and schedule an Intake appointment with Hunter Perry, CalWORKs Coordinator. You are also welcome to come by our office, located in Room 3142 on the San Luis Obispo Campus and Room 3024 N1104 on the North County campus.
Receiving cash aid and want to attend Cuesta College?	Speak with your county Welfare-to-Work Specialist (ERS-IV) about your interest in Cuesta College and request a referral form be sent to Cuesta College on your behalf. Call the Cuesta College CalWORKs department at (805) 546-3144 and schedule an intake appointment with Hunter Perry, CalWORKs Coordinator. The CalWORKs department is located in the CaFE Center and has offices on both the San Luis Obispo and Paso Robles Campuses. Intake appointments can be scheduled on either campus.
CalWORKs Supportive Services	Both the Cuesta College CalWORKs Program and DSS will provide supportive services for you to attend Cuesta once your Welfare to Work plan has been signed with DSS. There are a series of tasks that must be completed before these services can be provided. All of this information will be covered in detail at an Intake appointment. To ensure your success, we can provide everything from school supplies to gas cards and individual tutoring. Becoming a part of the CalWORKs Program is your ticket to completing your academic goals!
Work Study Programs	Earn while you Learn! This financial aid program allows you to earn additional money and gain valuable work experience by working while you attend Cuesta College. By continuing to make academic progress and maintaining a satisfactory grade point average (2.0), you may qualify to receive a subsidized work placement while attending school part or full time. Many CalWORKs students participate in either the CalWORKs Work Study or Federal Work Study Programs.

Questions? Contact the Cuesta College CalWORKs Program by calling (805) 546-3144 or go to <https://www.cuesta.edu/student/student-services/cafe/cal-works/> for more information.

CHILDREN'S CENTERS

Location: Building 4000, SLO campus; (805) 546-3285. Building N4022/N4036, North County Campus, (805) 591-6292.

The Cuesta College Children's Centers programs are laboratory schools that support students in many fields of study and offer hands-on experience in early learning classrooms. Cuesta College has two children's lab programs, at the San Luis Obispo campus, and at the North County campus in Paso Robles. These programs are licensed, planned, facilitated, and operated by Early Childhood Education professionals.

Our Early Care and Education programs are open Monday – Friday, 7:30 am – 5:15 pm (5:00 pm for Toddlers) **with an evening preschool program from 3:30-9:00 pm available at our SLO center.** We follow the campus academic calendar, closed for national holidays, campus holidays, and during semester breaks. We are licensed for children from 18 months to five years of age.

We have an ongoing wait list that families may sign up for when their child is 6 months old. Each semester we re-enroll current families then begin to fill spaces from the waitlist. Waitlist families will be called in order of priority.

Priority for Enrolling:

1. Pell Eligible Student - CCAMPIS Participant (Full Time. ¾, Part Time)

2. Full Time Day Student
3. Part Time/Online Student
4. Faculty and Staff
5. Community at Large
6. ~~To inquire about the children's programs and waiting list for the San Luis Obispo campus, please call (805) 546-3285. For the North County campus, please call (805) 591-6292. You will find fees and more information about our programs on the Cuesta College web site.~~

To inquire about the children's programs and to add your child to our waiting list, please visit our website at <https://www.cuesta.edu/student/resources/childrenscenter/index.html>. In addition to our waiting list you will find information about our philosophy, fees and policies.

Enrollment Process (for families already on the waitlist):

1. Tour the Center, Meet the Classroom Teacher and read Parent Handbook
2. Fill out Contract, Pay Enrollment Fee and Pick Up Enrollment Packet
3. Turn in Completed Enrollment Packet and Participate in New Family Orientation
4. Confirm Start Date with Director and Teacher

The Cuesta College Children's Programs are fee based (check the web site for fee plans). We offer financial assistance through the CCAMPIS grant, that is awarded to PELL eligible students. Additional assistance may be available through the Community Action Partnership of San Luis Obispo (CAPSLO) Child Care Resource Connection. For more information please call CCRC and ask about the subsidized child care program. (805) 541-2272.

In addition to the Children's Lab School, CAPSLO operates Head Start (serving children ages 3-5) and Early Head Start (serving children ages 6 weeks to 3 years) Programs at the San Luis Obispo campus. To find out about hours of operation, eligibility and the waiting lists for these programs, please call CAPSLO at (805) 544-4355, or call these programs directly. For the Early Head Start program (805) 546-3100, extension 2642, and for the Head Start Program (805) 546-3100, extension 2638.

What if I want to take a break and not attend the second consecutive year at Cuesta, can I still get the second year free when I decide to come back later?

No, you must return to Cuesta for the next consecutive year in order to qualify for the second-year fee-free.

What happens if I miss the deadlines?

You won't be eligible for the Promise Scholarship.

I'm not a senior this school year. Will I be able to get the Promise in the future?

Yes! The Cuesta College Foundation has established an ongoing fund so that the Promise will be around for future generations of SLO County high school students. Just remember: after you graduate, you must attend Cuesta College the Fall semester immediately following your commencement to obtain the Promise Scholarship.

Do I qualify for the Cuesta Promise Scholarship if I earned a GED, graduated from a home school or passed the CHSPE between July 1, 2019 and June 30, 2020?

Yes. If you are a San Luis Obispo County resident and earned your GED, graduated from a home school or received your CHSPE results between July 1, 2019 and June 30, 2020, and you indicated this on your Cuesta College admissions application, you qualify for the Promise.

What if I received the Promise in the Fall – do I need to do anything extra to get it in the Spring?

No. Just register for classes and your fees will be paid.

What if I received the Promise for Fall 2019 and Spring 2020 – do I need to do anything extra to get it for Fall 2019 and Spring 2020?

You will need to meet the following academic requirements to qualify for year two fee-free:

- Complete more than 50% of the units attempted in the Fall 2019 and Spring 2020 semesters
- Earn a Grade Point Average (GPA) of 2.00 or higher during the Fall 2019 and Spring 2020 semesters
- FAFSA or Dream Act by August 1, 2021.

If you meet these requirements, simply register for classes and your fees will be paid.

What should I do if I don't see my high school listed on the Cuesta College admissions application?

If you do not see your high school on the Cuesta College admissions application, please email promise@cuesta.edu to ensure that your high school or home school qualifies for the Cuesta Promise Scholarship

and find out if you will need to submit a Promise Appeal.

What should I do if I am being charged out of state tuition?

Double-check that your residency status is correct with Enrollment Services. If it is not, then you may need to fill out a Statement of Legal Residence or California Nonresident Tuition Exemption request. More information available at www.cuesta.edu/student/studentservices/admrrreg.

How do I check the status of my Promise application?

You can check the status of your Promise application in the same place you check your financial aid status. http://www.cuesta.edu/student/documents/financial_aid/FA_Status_Checklist.pdf

Once I've completed all the requirements, when will I be awarded the Promise?

Cuesta begins awarding the Promise each year in May. When you've been awarded, you will receive an email in your myCuesta email account and be mailed a congratulatory letter to your home address. You can also double check your account balance in myCuesta to see the fees have been paid!

(Find it in myCuesta: Student Tab > Direct Links to Registration Services > "Pay Fees/View Account")

What if I think I've done all of the requirements, but I don't see the Promise on my student account?

Double-check that you have completed all of the requirements and allowed enough time for those changes to be processed. If you still don't see the Promise on your student account, please email promise@cuesta.edu for assistance.

DISABLED STUDENT PROGRAMS AND SERVICES (DSPS)

Location: SLO campus, Building 3300 (first floor), (805) 546-3148; North County campus, Building N3200/3100, Room N3121 (first floor), (805) 591-6215. South County Center at Arroyo Grande High School; (805) 546-3148

Note: South County or distance education students should contact the San Luis Obispo DSPS Office for assistance. Services are available by appointment at the South County Center and via phone or video conferencing for distance education students. Parking in handicapped parking spaces requires a state issued placard through the Department of Motor Vehicles.

Disabled Student Programs and Services (DSPS) provides academic accommodations and services for students with disabilities in compliance with State and Federal legislation including Section 504 and 5-8 of the Rehabilitation Act of 1973, and the Americans with Disability Act Amendments Act (ADAAA) and California Education Code Title 5. Students who have a verified disability qualify for academic accommodations and services through the Disabled Student Program and Services (DSPS) department. Student participation in the DSPS program is voluntary. Academic accommodations and services are designed to support students that are enrolled in the achievement of their academic and vocational goals. DSPS advocates and facilitates equal educational opportunities through appropriate support services,

curricula, instruction and policies. DSPS works to eliminate discrimination against students with disabilities and to promote their independence, growth, productivity and equality.

DSPS Application Process:

1. Complete online application for services:

NOTE: If you are an incoming High School Student, please submit your most recent individualized Education Plan (I.E.P.) or 504 along with your Psych-Ed Evaluation or Triennial Report.

A Disability Specialist will review your application for DSPS Services along with your disability documentation to determine eligibility for services. A letter regarding your eligibility will be sent to you via your my.cuesta.edu email address.

DSPS Services:

Support services are specialized services available to students with disabilities and are in addition to the regular services provided to all students. Such services enable students to participate in activities, programs, and classes offered by the college. Please note, all accommodations are individualized and must be supported by documentation. The following are examples of our most common accommodations and not necessarily those every student receives. Services may include, but are not limited to priority registration, assistive technology and alternate media, sign language interpreters and listening devices for students who are deaf or hard of hearing, peer note takers, test taking accommodations, digital recorders, use of specialized equipment and adaptive devices and counselor to discuss your disability-related classroom needs.

Financial aid programs are available to help students who might otherwise be unable to complete their education. Students may apply for financial aid in the form of grants, fee waivers, student loans, work study and scholarships.

To maximize the financial aid that you will receive at Cuesta, please follow these steps:

1. Fill out the FAFSA online (www.fafsa.gov)

- Make sure you have tax information for the preceding year ready. If possible, use the IRS Data Retrieval Tool to transfer data from the IRS directly into your application.
- If you are a dependent student, one of your parents must sign the FAFSA.
- Be sure to enter Cuesta's Federal School Code (001192) in the school data section.
- Allow for one week for your application information to arrive at the schools you listed on the FAFSA.
- Apply before March 2 if you want to apply for a Cal Grant or Cuesta Scholarship.
- If you or your family need help filing the FAFSA, contact the Financial Aid Office for assistance.

2. Submit a GPA Verification form to the California Student Aid Commission (if necessary)

- New applicants for Cal Grants-including entering freshman-must submit some form of GPA verification to CSAC and complete a FAFSA by March 2.
- If you have completed 24 degree applicable units at Cuesta, our Enrollment Services (Admissions and Records) office will submit your GPA verification electronically by the March 2 and September 2 deadlines every year.

Transfer students with units at other California community colleges need to:

1. Provide official academic transcripts to Cuesta College's Enrollment Services (Admissions and Records) office at least two weeks prior to the GPA submission deadline; AND
2. Turn in a GPA verification form to the Enrollment Services (Ad-

missions and Records) office so that we can electronically submit your GPA data to CSAC (see link below)

- If none of the situations above apply to you, you can have your GPA verified by a college where you have completed 24 degree applicable units or by your high school (if you have not completed 24 degree applicable units at a college).

3. Apply for the Cuesta Scholarship Program and any outside scholarships (https://www.cuesta.edu/student/studentservices/finaid/typesofaid/Scholarship_institutional_source.html)

- Cuesta Scholarship applications are due March 2 of every year
- Outside scholarships have varying due dates and eligibility criteria, so do your research into scholarships early!

4. Complete any paperwork required by the Cuesta College Financial Aid office

- Make sure you read and accept the terms and conditions in your myCuesta portal.
- Check your financial aid status on the myCuesta portal to see if our office is requesting any additional documentation. The “student requirements” page will contain links to the forms that we require from you.
- If you want to apply for a student loan and you are a first time borrower, you must complete an online student loan workshop.
- Turn any requested documents into the Financial Aid office as soon as possible. Do not wait until the semester has started or your aid will be significantly delayed!
- Once you have submitted all of the requested forms, your file will be reviewed within 2-4 weeks.
- If you need any assistance with completing your application, please contact the Financial Aid office at (805) 546-3143 or e-mail us at <https://www.cuesta.edu/student/studentservices/finaid/index.html>
- **5. Choose a disbursement option** (“refund preference” through the BankMobile website (<http://bankmobiledisbursements.com/refundchoices/>)
- This choice determines how excess funds (e.g. financial aid, reimbursement for previous payment, etc.) will be sent to you.
- You can choose direct deposit into your personal checking/ savings account, a paper check sent to your address on file with Cuesta College, or deposit into a BankMobile account.
- You are not required to open an account with BankMobile in order to receive your funds.
- If you do not choose an option, your funds will be delayed by at least three weeks.

FINANCIAL AID POLICIES

Congress has established policies and procedures that are used throughout the nation in determining a student’s ability to pay for college. The basis of these policies is the belief that students and their families have the primary responsibility for meeting educational costs. The amount of the contribution expected from students is determined by careful analysis of the family’s financial strength, taking into consideration a number of factors, including adjusted gross income, family size, the number of dependents attending college, allowable expenses, and assets.

DEPENDENCY STATUS

Dependent students are required to provide data for both themselves and their parents, while independent students are required to provide data for themselves and their spouses (if married).

In order to be considered an independent student, a student must:

- Be at least 24 years old or turn 24 during the first portion of the academic year;
- Be married on the day you file your FAFSA;
- Be a parent and be able to financially support your child;
- Have dependents other than your spouse who live with you and who receive more than half their support from you at the time you apply;
- Be an orphan (both parents have deceased);
- Be (or were until age 18) a ward or dependent of the court;
- Be currently serving on active duty in the U.S. Armed Forces for purposes other than training;
- Be a veteran of the U.S. Armed Forces;
- Be a foster child or in foster home sometime after the age of 13;
- Be an emancipated child as determined by a court judge; OR
- Be homeless or at risk of homelessness as determined by the director of a HUD approved homeless shelter, transitional program, or high school liaison.

If none of the above criteria apply to the student, then the student is considered to be a dependent student-even if the student can claim themselves on their taxes.

In unusual circumstances-such as abandonment, parent’s incarceration, or an abusive family environment-the Financial Aid Office has the authority, through Section 480(d)(7) of the Higher Education Act, to change a student’s status from dependent to independent. If you feel your circumstances warrant a change in dependency status, please contact the Financial Aid Office for more information.

FAFSA

Cuesta recommends use of the Free Application for Federal Student Aid (FAFSA). This single application allows aid administrators to determine your eligibility to receive the Board of Governor’s fee waiver, Pell Grant, Supplemental Educational Opportunity Grants, Federal Work Study, Cal Grants, Direct Loans, and many scholarships.

A separate FAFSA must be filled out for each academic year. The 2018-19 FAFSA is already available and the upcoming year’s application is made available online (www.fafsa.gov) starting on October 1.

CALIFORNIA STUDENT AID PROGRAMS

The California College Promise Grant (CCPG)

The CCPG (formerly known as the “BOG Fee Waiver”) waives enrollment fees for California residents who are eligible under one of the following methods:

Method A

A student is eligible under Method A if they:

- Received TANF, CalWORKs, SSI, or General Assistance payments in the last two years (**2016 or 2017 for the academic year 2018-2019**); (**2017 or 2018 for the academic year 2019-2020**);
- Are a dependent student and one of their parents received such assistance;
- Are determined to be an unaccompanied youth who is homeless or at risk of being homeless;

- Have certification from the California Department of Veterans Affairs or the National Guard Adjutant General stating that the student is eligible for the waiver;
- Are a recipient—or the child of a recipient—of the Congressional Medal of Honor;
- Are a dependent of a victim of the September 11, 2001 terrorist attack; OR
- Are a dependent of deceased law enforcement or fire suppression personnel who were killed in the line of duty.

Method B

Eligibility is based on household size and total family income (adjusted gross income plus all other untaxed income).

Family Income Standards for 2019-2020	
Family Size	Base Year Income
1	\$18,210.00
2	\$24,690.00
3	\$31,170.00
4	\$37,650.00
5	\$44,130.00
6	\$50,610.00
7	\$57,090.00
8	\$63,570.00
Each Additional Family Member	\$6,480

Method C

A student is eligible under Method C if the student has completed a FAFSA or California Dream Act Application for the correct academic year and they are determined to have a financial need of \$1,104 or greater. Financial need is determined by subtracting the estimated family contribution from the student's cost of attendance budget.

Loss of CCPG Eligibility

If you have been on either academic or progress probation for two consecutive terms, you will lose your eligibility to receive the CCPG. You will be able to regain eligibility by:

- Improving your GPA / course completion in order to meet academic and progress standards;
- Not attending Cuesta College for two consecutive primary terms (Fall & Spring or Spring & Fall); OR
- Filing a successful appeal due to extenuating circumstances.

NOTE: Foster youth and former foster youth (age 24 years and younger) are not subject to loss of the CCPG under these regulations.

Cal Grants

The Cal Grant program is designed to help low-income California residents with the costs of pursuing undergraduate education at California institutions. There are two programs that are available to Cuesta College students: Cal Grant B and Cal Grant C.

- Cal Grant B provides a living allowance (and sometimes tuition/fee assistance) for low-income/disadvantaged students with high potential.
- Cal Grant C assists vocational students with tuition and training costs. Students must be enrolled in an eligible vocational program at Cuesta College from four to twenty-four months in length.

In order to apply for a Cal Grant, students must complete the FAFSA or California Dream Act Application for the upcoming year by March 2.

California Chafee Grants for Foster Youth (<https://www.chafee.csac.ca.gov/>)

Chafee grants provide up to \$5,000 a year to youth who are or were in the foster care system.

To qualify, a student must be a current or former foster youth who has not reached his/her 22nd birthday as of July 1 of the award year. Additionally, the court must have established the student's dependency status between the ages of 16 and 18.

To apply, complete both the FAFSA and the online California Chafee Grant Application available at <https://www.chafee.csac.ca.gov/>.

AB-540 Students

Students who have AB-540 status are eligible for a number of financial aid programs that are ordinarily restricted to California residents:

- California College Promise Grant (CCPG)
- Cal Grant B Community College Transfer Entitlement Award
- Cal Grant C
- Extended Opportunities Programs and Services (EOPS)

To apply for these programs, students must complete the following:

- Submit the California Dream Act Application (<https://dream.csac.ca.gov/>) by March 2.
- Submit the non-SSN GPA verification form to the California Student Aid Commission (if necessary) by March 2.
- Complete the EOPS application. (For application and deadline information, contact the EOPS office at 546-3144)

INSTITUTIONAL AID

In addition to government funding, Cuesta College offers two institutional sources of financial aid: the Cuesta College Scholarship program and the ASCC Book Loan program.

Cuesta College Scholarship Program (https://www.cuesta.edu/student/student-services/finaid/typesofaid/Scholarship_institutional_source.html)

This program, made available through private donors, offers over 200 scholarships to current Cuesta students and incoming freshmen. Each scholarship has its own set of eligibility requirements, but students only have to fill out one application.

To apply for the Cuesta College Scholarships, please complete both the FAFSA and the online scholarship application prior to March 2 of the award year.

ASCC Emergency Book Loan

The Associated Students of Cuesta College created this program to assist students who have not yet received financial aid but need to purchase books. Vouchers are used in the bookstore to cover up to \$300 of textbooks. This program opens the week prior to the Fall and Spring terms and closes at the end of the first week of classes.

In order to be eligible for an emergency book loan, a student must:

- Be enrolled in at least six units
- Submit a FAFSA
- Purchase an ASCC ID card for the current term
- Have the means to repay the loan without using financial aid to do so

To apply, please contact the Financial Aid office in the week prior to the Fall or Spring term.

FEDERAL STUDENT AID PROGRAMS

General Eligibility Requirements

In order to receive federal student aid under any of the programs listed below, a student MUST:

1. Be a U.S. citizen or an eligible noncitizen;
2. Have a valid Social Security Number;
3. Have a high school diploma or a General Education Development (GED) certificate (if you are a home school graduate, contact the financial aid office);
4. Enroll in an aid-eligible program as a regular student seeking an associate degree, transfer degree, or certificate;
5. Register with the Selective Service* (if male);
6. Make satisfactory academic progress (see our SAP policy below);
7. Not be in default or delinquency on federal education loans, or owe any federal grant money to any institution;
8. Not be ineligible due to convictions for any offense involving the possession or sale of illegal drugs while receiving Title IV federal financial aid;

*All male U.S. citizens (and eligible noncitizens) between the ages of 18 and 26 must register with the Selective Service.

Federal Pell Grant

The Federal Pell Grant program provides aid to eligible students with financial need to cover educational expenses. The amount that one receives is based primarily on the student's expected family contribution and the number of units in which the student is enrolled. For the ~~2018-19~~ 2019-2020 award year, the maximum annual Federal Pell Grant award is \$5,920 **\$6195**. Under the new "year-round Pell" initiative, additional funds may be available in summer on a case-by-case basis.

2019-20 Pell Grant Awards	
Enrollment status	Maximum Pell Grant possible
Full time (12 units or more)	\$6095 \$6195
Three-quarters time (9 – 11.5 units)	\$4571
Half time (6 – 8.5 units)	\$3048
Less than half time (less than 6 units)	\$1524

A student is only eligible to receive Pell Grant for the equivalent of 12 semesters at full-time enrollment status, regardless of the dollar amount of those awards.

NOTE: Pell Grants do not require repayment as long as the student remains in the same number of units that they were at the time of the first disbursement of the year. However, students that drop classes after the time of the first disbursement may be required to pay back the difference between the amount that they were paid and the amount for which they qualify after reducing their number of units.

Federal Supplemental Educational Opportunity Grant (SEOG)

Limited funding is awarded to Pell Grant recipients with the highest need.

Federal Work Study (FWS)

Federal work study awards allow students to find jobs on campus and in the community that are paid out of a fund. Students must meet all of the eligibility requirements for federal student aid and be enrolled in at least six units (as locally required for student employment during primary terms by administrative procedure 7201.1).

The William D. Ford Federal Direct Loan Program

This government program offers low-interest loans to eligible students who are enrolled in at least six units. There are two types of student loans: subsidized and unsubsidized.

Subsidized Direct Loan

The federal government subsidizes (pays) any interest that student loans accrue while the students are still enrolled in school at least half-time.

Unsubsidized Direct Loan

Students are required to pay the interest while they are in school. Interest payments may be deferred while the student is in school, but the accrued interest will be capitalized.

Interest rates and loan origination fees are not published in this catalog as they are subject to change after the date the catalog will be published. Although the interest rate varies from year-to-year, the loan will be fixed at that rate once it has been originated. For the latest information on interest rates, visit this webpage: <https://studentaid.ed.gov/types/loans/interest-rates>.

Repayment begins six months after students graduate, withdraw from school, or drop below half-time enrollment status.

New legislation limits eligibility for Direct Subsidized Loans to 150 percent of the length of the student's academic program for new borrowers beginning on or after July 1, 2013. The 150 percent change means students in a two-year program will be eligible to receive subsidized student loans for the equivalent of three years. Note that the federal subsidy can be lost in some cases where a student moves from a longer academic program to a shorter academic program.

First-time borrowers are required to complete the online Student Loan Workshop as part of their entrance counseling.

Federal Direct Parental Loans (PLUS)

Parents of dependent students may apply for a Direct PLUS Loan to help pay their children's education expenses as long as certain eligibility requirements are met.

For more information, please visit: <https://studentaid.ed.gov/sa/types/loans/plus>

SATISFACTORY ACADEMIC PROGRESS (SAP)

Cuesta College has recently revised its Satisfactory Academic Progress (SAP) Policy to promote the academic planning and success of its students with financial need. In order to receive federal financial aid, students must make satisfactory academic progress as defined in this policy. The Financial Aid Office checks your progress using the standards detailed below at the end of each term. It is your responsibility to meet these standards.

Note: All periods of enrollment will be evaluated regardless of whether or not financial aid was received. Additionally, federal regulations require that any courses excluded from GPA by an academic renewal process must be included in the SAP review.

SATISFACTORY ACADEMIC PROGRESS (SAP) STANDARDS

A student must maintain ALL of the following standards or they will be ineligible for federal student aid.

	Eligible for federal student aid?	Eligible for BOG fee waiver?	Description / Notes
Satisfactory (SAT)	Yes	Yes	Student is meeting all SAP standards.
Warning	Yes	Yes	Student failed to meet one or more of the SAP standards. Students only receive one warning term. If students fail to meet all SAP standards by the end of their warning term, they will be placed on suspension.
Suspension (UNSAT)	No	Yes	Student has failed to meet SAP standards for two consecutive terms. Students on financial aid suspension may regain eligibility for financial aid by: 1. Filing a successful SAP appeal if there are extenuating circumstances; OR 2. Attending classes without financial aid until they meet all SAP standards. This method is known as "reinstatement."
Probation (PLAN)	Yes	Yes	Student has submitted a SAP appeal which was subsequently approved. Student must adhere strictly to the following rules or they will be disqualified: 1. Pass all attempted classes. No W, F, NC, FW or incomplete grades are allowed. 2. Earn a GPA better than 2.0 for the term. 3. Only take courses that count towards the student's declared goal (as indicated in the myCuesta Pathway application, excluding unnecessary electives if student has attempted excessive units). Students on probation status who follow the above rules will have their eligibility extended at subsequent reviews in the same academic year. Students on probation status who do NOT follow the above rules will be disqualified from receiving federal financial aid at Cuesta and will not have any subsequent appeals approved unless catastrophic circumstances can be documented. Students must file a new appeal every academic year regardless of any prior appeal approvals.
Disqualified (DISQ)	No	Yes	Student was on probation, but did not adhere to the rules listed above. Student may not appeal again unless the probation plan was not met due to catastrophic circumstances (death in family, hospitalization, incarceration, etc.) that can be documented by the student. Student may receive financial aid in the future if they work on their own to meet all SAP standards (reinstatement).

Standard	Minimum Requirement for all coursework attempted
Qualitative (GPA)	Term GPA is at least 2.0 AND e Cumulative GPA is at least 2.0
Quantitative (completion rate)	Student must pass 67% of units attempted each term (and cumulatively) .
Maximum Time Frame (attempted units)	Attempted units may not exceed 150% of the number of units required to complete your educational objective

Ex s of how completion rate is calculated	
Student A:	Attended Fall semester. Attempted 12 units, completed 7 units. Completion rate is calculated as $7/12 = 58\%$, student did not meet the 67% requirement.
Student B:	Attended Fall semester. Attempted 12 units, completed 9 units. Completion rate is calculated as $9/12 = 75\%$, student met the 67% requirement.
Student C:	Attended Fall and Spring semesters for two years. Attempted 48 units, completed 34 units. Completion rate is calculated as $34/48 = 71\%$, student met the 67% requirement.
Student D:	Attended Fall and Spring semesters for two years. Attempted 48 units, completed 31 units. Completion rate is calculated as $31/48 = 65\%$, student did not meet the 67% requirement.

ATTEMPTED UNITS AND COMPLETION RATE

For the purposes of SAP calculations, attempted units include all units in which a student has enrolled regardless of whether or not they finished the class or received a grade for their work. Courses that are dropped prior to the census date will not be included, but any course that receives a grade of W or FW will be included in the calculation.

In order to retain eligibility for financial aid, a student must complete **67% of the units they attempt in a given term, as well as** 67% of their overall attempted units.

Completion Rate Chart Example		
Enrollment status	If you enroll in this many credits...	...you must complete this number of units to meet SAP requirements for term completion rate*:
Full-time	17	12
Full-time	15	11.5
Full-time	13	9
Full-time	12	8.5
¾ time	11	7.5
¾ time	9	6.5
½ time	8	5.5
½ time	7	5
½ time	6	4.5
Less than ½ time	5	3.5
Less than ½ time	3	2.5

*Student must still meet all other SAP requirements, including overall completion rate, to be eligible for federal student aid.

GRADES

Grade symbols of A, B, C, D, or F received at Cuesta College will be used to calculate grade point average (GPA). Courses completed with CR, P, I, NC, NP, W, or WF will NOT be used in calculating a student's GPA, but they will be used in the determination of the other SAP standards.

MAXIMUM TIME FRAME or EXCESSIVE UNITS

If a student attempts more than 150% of the units required to complete the educational goal (degree or certificate) that they have declared to the Enrollment Services (Admissions and Records) office, they are ineligible for federal student aid.

Educational Goal	Units required to complete goal	Maximum units allowed
Associate Degree	60 88	90 132
Transfer requirements	60 88	90 132
Certificate program*	24	36

*Certain certificate programs (e.g. nursing) require more than 24 units to complete and this higher amount will be used to calculate eligibility in the SAP review process. In some cases, however, an appeal may still be requested in order to document eligibility.

DETERMINING SAP STATUS

The Financial Aid office evaluates SAP at the end of each term to determine students' eligibility for financial aid. Based on their academic performance, a student is placed in one of the following statuses:

APPEAL PROCESS

If students have experienced extenuating circumstances that affected their academic performance, they may submit a SAP appeal to the Financial Aid office. Appeals are evaluated on a case-by-case basis by a team of financial aid professionals with the capacity for professional judgment. There is **no guarantee** that an appeal will result in financial aid being revised and/or reinstated. If a student wishes to

contest a decision made by the Financial Aid Office, they may appeal one more time to the Director of Financial Aid. The determination of the Director of Financial Aid is final.

Appeals may be filed in the following situations:

- Serious illness or accident, death in family, or other family emergency
- Withdrawal for military service
- Other documentable extenuating circumstances

Appeal forms for the current academic year may be requested from the Financial Aid office in person or online (<https://www.cuesta.edu/student/studentservices/finaid/typesofaid/CheckYourStatus.html>). Appeals may be submitted in-person or via e-mail from the student's Cuesta e-mail address.

To file a successful appeal, a student must:

1. Complete all of the steps indicated in the instructions for the correct academic year and term;
2. Attach a personal statement that explains the reasons for the student's inability to meet SAP standards and how that situation has been resolved;
3. Provide official documentation (third-party confirmation of the situation, ideally from a professional source like a doctor, counselor, instructor, etc.) of any circumstances mentioned in the personal statement;
4. Attach a student attendance and progress report, if appeal is submitted after certain points in the term (see instructions for details).

Appeals that arrive after a term has been completed ("retroactive appeals") will be considered as late submissions for that term. Students should base their appeal on the situation that existed before the prior term. Students may not use any success during the prior term as an after-the-fact justification for the appeal.

SAP "RESET" POLICY

Students who have changed their major or program of study are able to have their SAP eligibility re-calculated solely on the basis of grades and units that are applicable to their current program. A student may receive such a "reset" only once during their time at Cuesta. A "reset" is not guaranteed. Students still need to complete the new program withing a reasonable amount of time for federal funding. The maximum timeframe at Cuesta to complete a degree and receive financial aid is 132 units.

However, students that have been accepted into certain programs may be eligible for an additional reset. In order to receive an additional "reset", a student must file a SAP appeal and be enrolled in a program that satisfies the following conditions:

1. The program has its own admissions process separate from that used by Cuesta College at large.
2. Students in the program progress through a set of mandatory coursework across multiple terms.

Examples of programs that would currently qualify for a "reset": Registered Nursing, Licensed Vocational Nursing, and Psychiatric Technician.

Once an additional "reset" has been granted, no further resets will be allowed.

COURSE REPETITION

For financial aid purposes, courses may be repeated consistent with district academic standards, as identified in the college catalog. However, all repeated units will count toward Maximum Time Frame. Students may receive financial aid for repeat course work which they have previously passed only once.

There is an exception for courses which require repeats. Students taking a required repeat course should work with the Financial Aid Office to ensure those credits are counted appropriately for financial aid eligibility. Students may need to provide documentation regarding the requirement to repeat.

FINANCIAL AID ELIGIBILITY FOR REMEDIAL AND ESL COURSEWORK

Students are allowed to receive financial aid for remedial units if the remedial classes are a prerequisite for entrance into a regular college program. Financial aid cannot be received for more than 30 attempted units of remedial classes. Remedial units must be taken in recommended sequence.

ESL coursework must be part of an eligible program of study to receive financial aid. ESL coursework is not an approved program in itself. A student enrolled in ESL classes, who is not in an eligible program of study, is not eligible for federal student aid.

Evaluation of ESL Coursework in a SAP Review	
Standard	ESL coursework that will be included in the SAP review
Qualitative (2.0 GPA, term- and cumulative)	ESL courses that are given letter grades (A,B,C,D,F) will be included in the determination of whether students meet this standard.
Quantitative (67% completion rate, term and cumulative)	All ESL courses are included in the determination of whether students meet this standard.
Maximum Time Frame (Total attempted units)	No ESL courses are counted towards the maximum time frame standard.

TRANSFER CREDITS

All transfer credits that Cuesta evaluators have determined will count toward the student’s current program will also be included in the calculation of overall attempted and completed hours. They will not be included in the calculation of overall GPA.

ROUNDING

At Cuesta we do round up in our SAP calculations, if your completion rate is .6665, it will round up to 67%.

FEDERAL RETURN OF TITLE IV FUNDS POLICY

Title IV (federal student aid) recipients who withdraw completely before completing 60% of the term for which the student has been charged will be required to return a portion of the Title IV funds they received. The return amount will be calculated using the number of days the student attended in the given term and the total number of days in the given term.

RETURN OF OVERPAYMENT

Title IV financial aid recipients who withdraw from all classes—or are administratively withdrawn from all classes—may be required to return a portion of the financial aid they received. The Financial Aid office will calculate the percent of financial aid earned and unearned for the given term. Title IV financial aid recipients who receive an **ORDER OF RETURN OF TITLE IV FUNDS**

All returns will be distributed to the student financial assistance programs in the order below with the following exceptions: Title IV funds required to be returned by the student will not be distributed to a Federal Direct Loan Program and no returns shall be distributed to the Federal Work Study Program.

1. Direct Unsubsidized Loan
2. Direct Subsidized Loan
3. Direct PLUS Loan
4. Federal Pell Grants
5. Federal SEOG Program

Montgomery G.I. Bill® Education Benefits

Cuesta College is approved by the Veterans Administration to offer eligible veterans and their dependents military service connected benefit programs leading to an associate degree or transfer to a four-year institution. The Department of Veterans Affairs (DVA) administers several educational assistance programs for which basic eligibility may vary. Generally, only the DVA can determine an applicant's eligibility for educational assistance.

Please note: GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <https://www.benefits.va.gov/gibill>.

All persons receiving educational benefits must personally contact the Veterans Coordinator after enrollment every semester to continue benefits. In addition, a Student Educational plan (SEP) must be on file by the end of the first semester. This plan must be developed and reviewed by an academic counselor.

Priority Registration

As our way of saying thanks for serving our country, Veterans receive priority registration. New students to Cuesta College must meet the requirements of a new matriculated student as defined in the enrollment priority section. Any member or former member of the Armed Forces of the United States, and who is a resident of California, who has received an honorable discharge, a general discharge, or an other than honorable discharge, and to any member or former member of the State Military Reserved, for any academic term attended at one of the California State University, California Community College, or University of California for four academic years after he/she has left state or federal active duty, which he/she shall use within 15 years of leaving state or federal active duty, as established by Education Code 66025.8.

Military Credit

Veterans can receive credit up to 12 credits for education experience in the Armed Services. For more information please refer to this website: <http://www.acenet.edu/news-room/Pages/Military-Guide-Online.aspx> or see the Veterans' Resource Center.

Possession of a DD214 will be substituted for Cuesta's graduation requirements in Health Education and Diversity, for students pursuing a Cuesta Associate of Arts or Associate of Science (local) degree. In addition, as determined by the California State University (CSU), possession of a DD214 will be substituted for the CSU General Education Area E "Lifelong Learning and Self Development" requirement, for CSU transfer bound veterans. Veterans are given the choice to either apply their DD214 in satisfaction of these areas, or to complete an approved course for the area, based on personal preference.

Disabled Veterans

Veterans who qualify for educational benefits as disabled veterans

may be entitled to special educational benefits. Veterans should visit the DVA Regional office, 8810 Rio San Diego, CA 92108 to determine their eligibility for disabled status. Veterans with disabilities are encouraged to investigate services offered through Cuesta College Disabled Students Programs and Services.

Veterans' Dependents – War Orphans – Missing In Action – Prisoners Of War

Students who are children or widows of veterans who died as a result of military service or are dependents of veterans who were totally disabled as a result of war service (or peacetime military service since September 16, 1940) may be eligible for assistance from the Veterans Administration or the State of California. Inquiries regarding these benefits should be made through the DVA Regional Office.

Student Liability

The veteran/dependent student assumes full liability for any overpayment of veterans education allowance benefits.

The final responsibility for monitoring the process of qualifying for educational benefits rests with the individual applicant.

FAILURE TO TAKE THE PROPER CLASSES CAN RESULT IN THE REDUCTION OR TERMINATION OF BENEFITS.

Veteran/Dependent Student Academic Standing

Students will not be certified for enrollment if placed on Academic or Progress Dismissal status. If you have previously been placed on Academic Probation and have a grade point average of less than 2.0 in the last two consecutive semesters of enrollment and are eligible for certification of Veteran Benefits, you will be dismissed at the end of each semester as a veteran student (lose veteran certification and priority registration) as required under Veterans Administration approval criteria regulations.

Students who have previously been placed on Progress Probation and have 50% or more enrollment grades of "W", "I", or "NP" recorded in the last two consecutive semesters of enrollment will be dismissed at the end of each semester as a veteran student (lose veteran certification and priority registration) as required under Veterans Administration approval criteria regulations.

Tuition Policy

For Post 9/11 GI Bill® (Ch 33) students and VA Vocational Rehabilitation and Employment (Ch 31) students, our tuition policy complies with 38 USC 3679(e) which means Post 9/11 and Vocational Rehabilitation and Employment students will not be charged or otherwise penalized due to a delay in VA tuition and fee payments. For eligibility consideration, a Post 9/11 GI Bill student must submit a VA Certificate of Eligibility (COE) and a Vocational Rehabilitation Student must provide a VAF 28-1905 form. All persons seeking enrollment must meet the general admissions policies. Those seeking to use VA Education Benefits must submit all prior transcripts for a transfer evaluation and submit one of the following a 22-1990, 22-1995, 22-5490, or a 22-5495 to the VA.

Please Note: GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website at www.benefits.va.gov/gibill.

Tutorial Services

Tutorial services are available to all veterans who meet established VA criteria.

Transcripts

All official transcripts of prior college work and military schools must be on file in the Records Office before registering for classes. Certification for benefits for the second semester will be withheld if transcripts are not received. See the Veterans' Resource Center for

necessary forms.

Credits Required for Entitlement of Benefits

The following number of credits is required each semester to certify students for educational and training allowances. Short-term courses are computed proportionately for payment purposes. Please see the Veterans' Resource Center for more information.

Veterans Access, Choice, and Accountability Act of 2014

(Choice Act)

A student who is covered by the federal Veterans Access, Choice, and Accountability Act (Section 702 of the VACA Act [38 U.S.C. 3679(c)]) as stated in parts 1-4 of this bulleted item shall be fully exempt from non-resident fees, including nonresident tuition and the capital outlay surcharge charged of nonresident students.

1. A Veteran who lives in California (regardless of his/her formal state of residence) and enrolls in Cuesta College within three years of discharge from a period of active duty service of 90 days or more.
2. A spouse or child entitled to transferred education benefits who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within 3 years of the transferor's discharge from a period of active duty service of 90 days or more.
3. A spouse or child using benefits under the Marine Gunnery Sergeant John David Fry Scholarship (provides Post-9/11 GI Bill benefits to the children and surviving spouses of service members who died in the line of duty while on active duty) who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within three years of the Service member's death in the line of duty following a period of active duty service of 90 days or more.
4. After expiration of the three year period following discharge or death as described in 38 U.S.C. 3679(c), a student who initially qualifies under the applicable requirements above will maintain "covered individual" status as long as he or she remains continuously enrolled (other than during regularly scheduled breaks between courses, semesters or terms) at the institution, even if they enroll in multiple programs and shall continue to be exempt from paying nonresident tuition and other fees, as provided by California EC §68075.5(c) requiring that the District grant a full exemption from the nonresident fee for all students verified to be "covered individuals" per the criteria above within this bulleted item and that qualify to use Montgomery GI Bill-Active Duty or Post 9/11 GI Bill education benefits (Chapters 30 and 33, respectively, of Title 38, U.S. Code while living in California. Eligibility determination is subject to the "Certificate of Eligibility" (COE) of the veteran or eligible dependent (who is made eligible through the Transfer of Entitlement [TOE] to basic educational assistance under Chapters 30 and 33 of Title 38, U.S.C.). The DD214, Certificate of Release or Discharge from Active Duty, of the qualifying individual may also be of assistance in confirming "covered individual" status as it shows the effective date of the veteran's discharge from active service.

Withdrawal/Change of Classes

Veterans are required to notify the campus Veterans' Resource Center when they stop attending class, withdraw from the college or add or drop a class. Such changes should be reported immediately after filing an official withdrawal. Failure to comply with this regulation will be grounds for decertification and will be considered a fraud with the Department of Veterans Affairs.

Graduation Requirements:

Health Education Requirement:

After successfully completing this requirement, students will be able to apply a breadth and depth of knowledge that is inclusive of all the dimensions of health, e.g., spiritual, environmental, social, mental and emotional, and physical. The scope and content of the health education course work this requirement provides the student with the knowledge and problem solving skills essential to evaluate health literature, analyze personal health risks and promote lifestyle choices. This preparation empowers the student to make relevant choices applicable to their genetic, environmental, and health risk factors that ultimately optimize mind/body/spirit health over a lifetime.

- Descriptive and discussion content of the major chronic diseases in the United States.
- Evaluation of individual risk factors for chronic diseases from a genetic, environmental, and lifestyle perspective.
- Descriptive and discussion content about communicable diseases/infections (e.g., STI's, Hepatitis C) including symptoms and prevention.
- Analyzing the influence of environmental and nutritional concepts on food choices.
- Relating diet, exercise, and stress management to prevention of diseases and psychological well-being.
- Developing an appropriate physical fitness program that includes cardiovascular conditioning, muscle strength and endurance training, and flexibility.
- Examining the relationship between values and beliefs and mental health. Utilize this relationship to create effective interpersonal communication in relationships, coping, prevention of addictive behaviors and personal safety.
- Analyze and apply spiritual concepts to improve health and wellness.

Complete one course: HEED 202 or 203 or 208 or 210

Note: HEED 203 or 208 will satisfy both the Health Education and the Diversity Requirement.

The following degree or certificate will also satisfy the Health Education Requirement:

A.S., Nursing, Registered; C.A., Nursing, Registered (30 Credit Option); or possession of a DD214 (Certificate of Release of Discharge from Active Duty)

CSU TRANSFER CREDITS REQUIRED

39 lower division **General Education**
 + 21 **program preparation** (required by many campuses), or CSU transferable **electives**
 = 60 transferable credits (minimum)

Please Note:

- You may transfer up to a total of 70 credits from a Community College.
- 9 credits of upper division General Education will be required at the CSU.
- Areas A1, A2, A3, and B4 are considered the “Golden Four” and must be completed with grades of “C-” or higher. Note: High credit programs (e.g. Engineering) may not need Area A3 “Critical Thinking” prior to transfer.

Specific Campus Requirements

- Foreign Language: Some campuses require foreign language for graduation. Certain programs may have a foreign language requirement. For specific requirements, consult university catalogs or a counselor.
- Multicultural/Ethnic Studies: Many CSU campuses require this for graduation. Some campuses require that the course be upper division.
- Additional campus specific requirements: See counselor.

GENERAL EDUCATION CERTIFICATION

Certification refers to official notification from a community college that a transfer student has completed courses fulfilling CSU lower-division general education requirements. Certification will ensure CSU campus acceptance of courses taken in the specific general education areas in which the coursework is certified.

Full Certification is given to students who have completed all sections of the CSU General Education Pattern. Students must satisfactorily complete at least 39 lower-division credits, distributed as follows:

AREA A: 9 CREDITS: One course from each group: A1, A2, A3

AREA B: 9 CREDITS: One course from B1, B2 and B4. One lab course required: B3 lab must be taken with or subsequent to corresponding course from B1 or B2

AREA C: 9 CREDITS: Three courses to include at least one course from Arts (C1) and one course from Humanities (C2)

AREA D: 9 CREDITS: Three courses must be selected from at least two different disciplines

AREA E: 3 CREDITS: One course **Subject Area (partial) Certification** can be granted for one or more completed area (A-E), as outlined above, if all sections of the CSU General Education Pattern have not been completed.

US History, Constitution and American Ideals Certification - All campuses require students to complete college-level coursework in US History, American and California Government. This requirement is met by completing HIST 207A or HIST 207B, and, POLS 202.

What is the IGETC?

The **Intersegmental General Education Transfer Curriculum (IGETC)** is a course pattern available to students enrolled in CA Community Colleges (CCC) which will satisfy the lower-division breadth/general education requirements at both the University of California (UC) and the California State University (CSU). Many independent/private and out-of-state colleges and universities will also accept the IGETC.

IGETC is most useful for students who know they want to transfer to a University but who have not yet decided upon a particular institution (UC, CSU, private, or out-of-state school) or who are undecided on a major. It is also appropriate for students who have already decided to pursue majors offered in the Social Sciences, Humanities, or Arts.

Students who are preparing for high unit majors such as engineering, math, computer science, and physical or life sciences should prioritize completing their major program prerequisites and meeting transfer admission requirements, before focusing on completing the IGETC.

Completion of the IGETC will permit a student to transfer from a California Community College (CCC) to a California State University (CSU) or University of California (UC) campus without the need, after transfer, to take additional lower-division, general education courses. Advantages of completing IGETC include more flexibility in class selection at the university and timely progress to degree completion.

In accordance with CSU system policy, students transferring to a CSU with a completed IGETC will still need to complete nine semester units of upper division general education, and may be held to other campus specific graduation requirements outside of general education and major coursework.

Who is Eligible to Complete the IGETC?

The IGETC was developed by the Academic Senates of the CCC, UC and CSU, as a way for first time CCC college students to follow one general education pattern that would be accepted by both the CSU and the UC systems. Students who enroll at a UC or CSU campus, then leave and attend a community college, and subsequently return to a different UC or CSU campus may also use the IGETC.

Who is Not Eligible to Complete IGETC?

Students who initially enroll at a UC campus, then leave and attend a community college, and subsequently return to the same UC campus are considered "readmits" by the UC system. Such students cannot use the IGETC. CSU does not have a system-wide policy that addresses this issue. Questions regarding the use of IGETC for a student who has recently been enrolled at a CSU should be directed to the specific campus the student wishes to attend.

Is Completion of the IGETC Required for Admission?

Completion of the IGETC is not a requirement for transfer admission, nor does it guarantee admission into the CSU or UC. It is one of several options for a CCC transfer student to complete general education requirements prior to transfer. However, particularly for non-STEM majors, completing the IGETC may be beneficial to a student's competitiveness

for transfer, and will also facilitate time to graduation after transfer. Consult with a counselor and/or assist.org to determine whether completing the IGETC is a good option for a specific major and/or campus.

What is a Partial Certification of IGETC?

Students who do not finish the IGETC before transferring will be held to the campus specific lower-division general education/ breadth requirements of their university campus. Courses completed at the CCC will be applied to the CSU or UC's general education pattern as appropriate. CCC's may grant a "partial certification" of IGETC to students who are missing no more than two courses from the pattern. Students who obtain a partial IGETC certification should work with their transfer institution to determine how the two missing courses will be completed (whether at the university, or the CCC during summer, for example). Students who have been granted partial IGETC certification do not need to return to the community college for a full certification; this process is finalized by the 4-year campus. Consult with a counselor to see if a specific campus accepts partial certification for the intended major.

What is IGETC for STEM?

IGETC for STEM is a separate IGETC track available to students planning a major in science, technology, engineering or mathematics. IGETC for STEM allows students in these majors to defer some of the humanities and social sciences courses until after transfer.

The IGETC for STEM allows the student to complete up to three courses after transfer. The following IGETC courses need to be completed before transfer:

- All courses in Areas 1 (except 1C for UC-bound students), 2, and 5 of the traditional IGETC; and
- One course in Area 3A; one course in Area 3B; and two courses in Area 4, taken from two different disciplines.

The following courses may be deferred until after transfer:

- One remaining lower-division general education course in Area 3;*
- One remaining lower-division general education course in Area 4;* and
- Completion of Area 6A (Language Other Than English) for UC- bound students who have not already satisfied it through proficiency*

*These deferred lower division courses are replaced with calculus and/or science courses required by the major before transfer.

As of March 2017, UC will accept IGETC for STEM only if the student is earning an Associate Degrees for Transfer (ADT) in Biology or Chemistry at a community college, and if the UC major program or college the student is applying to accepts partial IGETC certification.

Minimum Grade Requirement (GPA)

A minimum grade of "C" is required in each college course applied to the IGETC. A "C" is defined as a minimum of 2.0 grade points on a 4.0 scale. A "C-" grade, valued at less

than 2.0 grade points on a 4.0 scale, cannot be used for IGETC certification. Exception: For the UC Language Other Than English (LOTE) requirement, Area 6A, the University of California does not count "minus" or "plus" grades for high school coursework, only the whole grade is used. In other words, a "C-" grade completed in high school is counted as a "C". The only part of the IGETC that may be satisfied through high school course work is Language Other Than English, Area 6A.

Credit/No Credit-Pass/No Pass

Courses in which a student receives a "Credit/Pass" grade may be applied to IGETC, if the community college's policy states that a "Credit/Pass" designation is equivalent to a "C" grade (2.0 grade points on a 4.0 scale) or better. It is important to keep in mind that some CSU and UC campuses have limitations on the number of "Credit/No Credit" ("Pass/No Pass") courses that may be used to transfer or to meet degree requirements. The UC system allows a maximum of 14 semester (21 quarter) units graded "Pass/No Pass" (Credit/No Credit) basis of the 60 UC transferable semester units required for admission.

There is no CSU system-wide policy about unit limitations for "Pass/No Pass" grades. Therefore, each campus has established its own policy on limitations of courses transferred with grades of "Credit/Pass". The information is updated annually and is available at the CSU Student Academic Support website: <http://www.calstate.edu/ar/counselors.shtml>.

Minimum Unit Value

To be applied to the IGETC, a course must have a minimum unit value of at least 3 semester or 4 quarter units. It is not acceptable to take three 1 unit courses to fulfill a 3 unit requirement because of the lack of depth and scope of 1 unit courses. Exception: 3-quarter unit Math and English courses that have been determined to meet IGETC Area/s 1A or 2 standards may be applied if they are a part of a two term sequence, and if both of the courses have been completed with "C" grade (2.0 on a 4.0 scale) or higher. The course sequence must also meet the rigor of IGETC standards. Consult with a counselor for details.

Use of AP and IB exams

IGETC course credit may be earned for AP test scores of 3, 4 or 5 on Advanced Placement (AP) exams. Similarly, scores of 5, 6 or 7 on select International Baccalaureate (IB) Higher Level exams may also be applied to IGETC, as determined by UC faculty and as outlined in the IGETC Standards, Policies and Procedures Manual. For more information, refer to the AP and IB charts in this catalog, or consult with a counselor.

Which Institution Certifies the IGETC, Partial IGETC or IGETC STEM?

Students who have completed coursework at more than one CCC should have their IGETC certified by the last CCC they attend.

If a student requests an IGETC certification from a CCC that is not the last school of attendance, it is at the discretion of that community college to certify. IGETC certification can be processed by a CCC without regard to current enrollment status or number of units accrued at a particular CCC. The "Full," "Partial" or "STEM" IGETC Certification is posted to the student's transcript by the CCC certifying the student.

CSU Graduation Requirement in "U.S. History, Constitution, and American Ideals"

In addition to general education requirements, the CSU system has established a graduation requirement called "U.S. History, Constitution, and American Ideals". Students can generally satisfy this requirement prior to transfer by completing one course in U.S. History and one course in American Government. Students who are completing the IGETC and who are planning to apply to both a CSU and a UC system should try to complete both a U.S. History and an American Government course as part of their IGETC pattern, to facilitate their time to graduation after transfer to the CSU.

Coursework from another California Community College

IGETC approved courses completed at another CCC will be applied to the IGETC pattern at the CCC the student is currently attending without question. IGETC course approval dates can be verified by consulting the website assist.org. Courses with an IGETC approval date of fall 1991 may be applied to the IGETC if completed prior to fall 1991. Courses approved after fall 1991 may only be applied to the IGETC if completed on or after the approval date.

Courses from Outside of the CA Community Colleges
Appropriate college level general education coursework in the humanities, mathematics, social sciences, and physical and life sciences, completed at United States regionally accredited institutions, will be regularly applied to the IGETC. In consultation with the IGETC Standards, Policies and Procedures Manual, care will be taken to review course outlines for content, prerequisites, texts and unit values. It is the student's responsibility to supply appropriate course syllabi from an outside institution, when requested by the counselor, for consideration of an IGETC area. Particularly close review will be taken when evaluating non-CCC courses towards fulfillment of IGETC Area 1B, "Critical Thinking and Composition" due to the very specific course content requirements in this area. Very few non-CCC second semester English Composition courses offer a course in Critical Thinking/English Composition that conforms to IGETC guidelines.

Upper division work may also be applied to IGETC areas, in limited circumstances, when appropriate. There is no limitation on the number of courses completed at non-CA community colleges that can be included in the IGETC certification.

International Coursework

Courses completed at institutions outside of the United States may only be applied to IGETC if the international institution also has a United States regional accreditation. No other non-U.S. college coursework may be applied to IGETC, with the exception of international course work used to fulfill Area 6A, "Language Other Than English," which is a proficiency requirement and which can be validated in several ways. Consult a counselor to determine if non-US coursework is acceptable to fulfill Area 6A. Students with a substantial amount of international coursework completed at a non-United States regionally accredited institution should be encouraged to follow the CSU or UC campus specific general education pattern.

ADVANCED PLACEMENT POLICY

College credit is awarded for Advanced Placement (AP) exams passed with scores of 3, 4, or 5. This chart depicts how Advanced Placement exam scores are applied to Cuesta’s local General Education requirements, to the CSU General Education pattern, and to the IGETC (UC General Education pattern). It also depicts the total number of transfer units students earn towards Cuesta’s AA or AS degrees and CSU and UC BA or BS degrees.

The acceptance of an AP exam in satisfaction of major-specific course work is an individual campus decision, and policy differs from campus to campus. Therefore, transfer-bound students are strongly advised to see a counselor to determine if their AP exam will be accepted in lieu of a college course that is required for their major at their desired transfer institution. Students with AP exam credit should also see a counselor before completing a college course of comparable content, as it may be considered duplication and units may not be granted for both.

Official score reports are required and should be sent to Cuesta’s Admissions and Records Office. Information about ordering AP score reports can be found online: <https://apscore.collegeboard.org/scores/score-reporting>.

2019-2020 CATALOG

DESCRIPTION

Agriculture majors are designed for students wishing to explore this diverse industry.

The AS-T in Agriculture Business is designed to prepare students for transfer to a bachelor's degree program in Agricultural Business or related major at a CSU campus. Agricultural Business graduates at the bachelor's level are qualified for employment in a variety of jobs, in areas such as marketing of crops and related agricultural production equipment, banking and production loans, food processing, international marketing and agricultural policy.

The AS-T in Agriculture Plant Science is designed to prepare students for transfer to a bachelor's degree program in Plant Science, Horticulture or related major at a CSU campus. A bachelor's degree in Plant Science prepares students for a career as a plant scientist, agriculture teacher, biotechnologist, agronomist or crop scientist, turf manager, farm manager, weed scientist, entomologist, nursery and garden specialist, researcher, or landscape manager. Agriculture Mechanics courses provide students with skills and knowledge to enter the mechanized agriculture field. A general agricultural background provides students with entry level employment opportunities and skills along with the ability to transfer to a college or university and continue their studies in a wide variety of agricultural fields.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor's degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate's Degree, a student must: (1) complete each major-specific course required for the degree with at least a "C" grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0.

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree may differ from those needed to prepare to transfer. Students who plan to transfer to a four-year college or university should schedule an appointment with a Cuesta College counselor to develop a student education plan (SEP) before beginning their program.

FINANCIAL AID

Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that Cuesta College offers a full array of financial aid programs—grants, work study, scholarships, federal loan programs, and fee waivers. These programs are available to both full-and part-time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information:

ARCHITECTURAL TECHNOLOGY

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

2019-2020 CATALOG

DESCRIPTION

Architecture is the art and science of designing buildings or, more accurately and broadly, the built environment, which can range from a house addition to a plan for a city. Behind that simple definition, however, lies an enormously diverse profession with many career paths and a variety of roles to play. Then, too, there are a number of paraprofessional jobs within firms or in related fields, offering many other options to those not pursuing a professional university degree.

The architecture program at Cuesta College prepares individuals for challenging careers in the architectural profession and its related design and technical fields. The program offers its students a strong foundation for transferring to upper-division studies in baccalaureate professional degree programs or entering directly into the workforce.

Cuesta's architecture program is an affiliate member of the Association of Collegiate Schools of Architecture (ACSA).

ASSOCIATE DEGREE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor's degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate's Degree, a student must: (1) complete each major-specific course required for the degree with at least a "C" grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

DEGREES, CERTIFICATES & AWARDS

- Associate in Science (A.S.)

CAREER OPPORTUNITIES

- Architectural Drafter/CAD Technician
- Architectural Intern
- Building product or component manufacturers
- Government Agencies (plan checker and project inspector)
- Homebuilders and Commercial Contractors
- Kitchen and Bath Designers
- Technical and production support within architecture or engineering firms

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at Cuesta College. Information for each certificate program can be found by following this link: www.cuesta.edu/student/studentservices/finaid/gainfulemployment

ART

DESCRIPTION

Fine Arts is an academic division focusing on the skills and knowledge for the studio practice and study of art. Art History, the study of visual art from prehistory to the present, places emphasis on the visual language, historical context, cultural values, and technological changes in art and architecture. Professional practices emphasize the curatorial, business, and installation aspects of exhibiting art. Studio courses include drawing, painting, photography, graphic design, printmaking, sculpture and ceramics. An emphasis on portfolio presentation, exhibition preparedness, and a progression of intermediate courses prepares students for vocational opportunities and successful junior level transfer to universities, colleges, and art academies.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor's degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate's Degree, a student must: (1) complete each major-specific course required for the degree with at least a "C" grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0.

BUSINESS

DESCRIPTION

Business Administration is a broad area encompassing Accounting, Law, Economics, Trade, Financial Markets, Management, Business Communication, Marketing and Entrepreneurship. Study in this area explores the theories, history, principles, practices, ethics and technologies governing contemporary issues in a global business environment. This program is designed to provide a basic overview of all subject matter and is preparatory lower division coursework for a bachelor's degree in Business.

The Associate in Arts in Business Administration for Transfer Degree is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing this degree (ADT) are guaranteed admission to the CSU system, but not necessarily to a particular campus.

The Career Track degree prepares students for the real world of Business by offering courses that allow students opportunities to acquire practical skills, technical knowledge and experience in a variety of fields of their choosing. The fields of study include Management, Marketing, Accounting, Small Business or General Business.

The Career Track degree allows students to create a personalized degree based upon core Business classes for all students, but also permits optional coursework in a desired profession, which will enhance the student's opportunity for employment or improve their chances of advancement in their current vocational field. The Career Track AA is also a great stepping-stone to a four-year degree in Business, or a related field.

COMMUNICATION STUDIES

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

2019-2020 CATALOG

DESCRIPTION

The Communication Studies program compels students to explore the communication theories, strategies, and skills needed to succeed in our complex and diverse world. Courses focus on improving social, cultural, professional, and personal experiences through the understanding and applied practice of communication. Many studies cite “effective communication” as the number one skill in demand in today’s workplace. Through the study and practice of communication, students will become more competent communicators in their professional and personal lives. Our Communication Studies transfer degree prepares students for transfer to earn a baccalaureate degree in Communication Studies from a California State University and University of California.

ASSOCIATE DEGREE PROGRAM

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor’s degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate’s Degree, a student must: (1) complete each major-specific course required for the degree with at least a “C” grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

COMPUTER AND NETWORKING TECHNOLOGY

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

2019-2020 CATALOG

DESCRIPTION

Computer and Network Technology program builds a solid foundation in computer and networking theory and applications. The training includes basic electronics, network cabling and infrastructure, computer and networking hardware, desktop and server operating systems, wireless configuration and administration and computer and network diagnostic tools. The goal of the degree is to provide broad training that will prepare a student to install, configure, troubleshoot and administrate all types of computer and network hardware and associated operating systems. Each course in the program is aligned with industry certifications including CompTIA A+, Cisco CCNA, Microsoft Desktop and Server Administration, FOA Copper and Fiber Cabling, and CWNA Wireless certifications. The curriculum is primarily designed for students who are seeking entry-level information and communication technology skills for positions such as network administrator, network engineer, network technician, computer technicians, network installer, and help desk technician.

EARLY CHILDHOOD EDUCATION

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

2019-2020 CATALOG

DESCRIPTION

Majoring in early childhood education prepares students for careers in a variety of early care and education settings as well as in related fields working with children, birth to age eight, and their families. Our program focuses on child development theory and early childhood education practices, with a particular emphasis on presenting practical information that can be used working with young children. Students will combine learned theories with practice, in actual settings with young children, under the supervision of Cuesta College Lab Teachers.

EARLY CHILDHOOD TEACHER PATHWAYS

Early Childhood Teacher Pathways prepare students to work with children from infancy into middle childhood in various learning environments. The Pathways will educate and train students to become effective teachers; provide hands on learning in the classroom; and support students to develop as teaching professionals.

Students who plan to work in the field of Early Childhood Education are advised to pursue a Child Development Permit (CDP). Early Childhood Education Program course work is approved by the California Commission on Teacher Credentialing as meeting the requirements for the CDP Permits. The six levels of Child Development Permits are: Assistant Teacher, Associate Teacher, Teacher, Master Teacher, Site Supervisor, and Program Director. Students completing the core four courses (ECE 201, 202, 203, and 205) will qualify for an Associate Teacher Certificate, through Cuesta College. Students completing the ECE AA or AS-T degrees (coupled with experience in the field) are eligible for the Child Development Permit at the Teacher level.

EDUCATION

DESCRIPTION

The Cuesta College Education Program supports 5 teacher pathways that include Early Childhood Teachers, Elementary School Teachers, Middle or High School Teachers, Special Education Teachers, and Career Technical Education (CTE) Teachers.

See the Applied Behavioral Science Division webpage for more information about teacher pathways: <https://www.cuesta.edu/academics/wed/appliedbehaviorsci/>

The Elementary Teacher Education Associate in Arts for Transfer degree prepares students to transfer into a Liberal Studies or a similar elementary teacher preparation major. The degree is designed to meet introductory content area subject matter requirements for a Multiple Subject Teaching Credential since elementary school teachers need to teach many subjects in a self-contained classroom; the Multiple Subject Credential is required to teach at elementary schools. Students who complete the degree will also gain practical experience through classroom observations and interaction with elementary students and faculty. A student may complete the AA-T in Elementary Teacher Education, then the Bachelor's Degree in Liberal Studies or similar major to help prepare for the Multiple Subject Credential Teacher Preparation program.

ASSOCIATE DEGREE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor's degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate's Degree, a student must: (1) complete each major-specific course required for the degree with at least a "C" grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

CERTIFICATE PROGRAM

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0.

ELECTRONICS AND ELECTRICAL TECHNOLOGY

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

2019-2020 CATALOG

DESCRIPTION

Cuesta College is an approved training provider as a general electrician certification training program. Students enrolled in an approved course may register with the Division of Apprenticeship Standards to be eligible to work as an electrician trainee and continue their employment if 150 classroom hours each year are completed until qualified for the certification exam. Students who complete all the mandatory courses are eligible to sit for the certification exam administered by the state of California. Passage of this exam in combination of specific work experience will complete the state electrician certification process.

There is additional paperwork required for the State Electrician Trainee Program. Please contact the Engineering Technology Department for more information at (805) 546-3264.

EMERGENCY MEDICAL SERVICES

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

2019-2020 CATALOG

DESCRIPTION

The Emergency Medical Services Program (EMS) trains students for Emergency Medical Technician (EMT) certification and for Paramedic licensure. Continuing education courses, including an EMT refresher course, are also offered. Students are taught the fundamental principles and skills required to provide emergency medical care for the sick and injured at the scene of an emergency and/or during transport to a healthcare facility. Our training program prepares the graduate to function as a beginning practitioner according to national standards. Hands-on clinical and field internship experience is part of the training.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor's degree program, or, to prepare students to enter the workforce in a particular vocational field. ENGLISH AS A SECOND LANGUAGE

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

2019-2020 CATALOG

DESCRIPTION

Cuesta's ESL program provides language development opportunities for students of all English language proficiency levels in our community. We help students improve their English language skills so that they may achieve their personal, academic, and professional goals as well as participate more effectively in their communities.

We offer a range of courses from basic literacy to advanced. Beginning and intermediate level ESL classes offer foundational instruction in English language skills, and the advanced courses prepare students for degree-applicable English, technical education, and other mainstream college coursework. We also offer classes in conversation, vocational computer skills (VESL), and U.S. citizenship.

All of the ESL courses are non-credit, with the exception of the highest level, ESL 99E. All noncredit courses are free for students, and most sites offer childcare.

ESL classes are held at the South County Center at Arroyo Grande High School, the main campus in San Luis Obispo, the North County Campus in Paso Robles, and a number of community sites across the county.

There are several certificates available to our noncredit students. Successful completion of a designated course sequence allows students to earn various certificates.

EVALUATION AND REGISTRATION

New students need to take an ESL evaluation to determine their language level. Call or visit the ESL office for more information.

GEOLOGY

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

2019-2020 CATALOG

DESCRIPTION

The Cuesta College Earth and Ocean Science Program involves the study of the solid earth, ocean and atmosphere. It is the branch of science that investigates diverse geologic processes, including rock and mineral formation, tectonic and volcanic processes, and landform and seafloor development. In addition, the examination of the origins and evolution of life through the study of fossils (paleontology) and the assessment of economically important mineral deposits, fossil fuels, and geologic hazards are integral to the discipline. The chemistry and physics of the ocean and atmosphere are examined for their impact on the distribution of marine sediments, ocean circulation, weather and global climate patterns. Specific course topics fulfill the lower division requirements for majors in geology, geophysics, civil engineering, construction management, and environmental science. Students can earn an A.S. degree in Geology at Cuesta College, preparing them for transfer to four-year institutions or for employment in technical careers.

HUMAN DEVELOPMENT/ HUMAN SERVICES

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

2019-2020 CATALOG

DESCRIPTION

The Human Development/Human Services Department offers multiple Associates of Arts degrees within the Social and Applied Behavioral Sciences. The A.A. in Human Development/Human Services is an interdisciplinary degree concentrating in psycho-social development across the life span with emphasis in identity development, the family system, and human services. This A.A. degree prepares students to transfer into a Baccalaureate program, and is also designed to benefit the student who wishes to pursue a paraprofessional career in social work / human services, such as case management, parenting coach/educator, support counseling and crisis management.

The Human Development/Human Services Department also offers an Addiction Treatment Studies Program designed to prepare students for careers in the growing field of drug and alcohol counseling. The Addiction Treatment Studies curriculum is registered with the California Consortium of Addiction Programs and Professionals (CCAPP). Upon satisfactory completion of the required coursework, students earn an Associates of Arts degree or a Certificate of Achievement in Addiction Treatment Studies.

For those students interested in transferring into the CSU system to complete a Baccalaureate degree in Social Work and Human Services (or similar major), our Department offers an Associates in Arts degree in Social Work and Human Services for Transfer degree (AA-T). This area of study emphasizes the application of behavioral sciences within a variety of cultural contexts. As a profession, Social Work and Human Services focuses on methods for helping people from many different social groups to improve the quality of their lives.

Lastly, the Human Development/Human Services Department offers a degree in Social Justice Studies. This is an interdisciplinary program with a focus on equity and social change. The Associates in Arts in Social Justice Studies for Transfer (AA-T) degree prepares students for seamless transfer into Ethnic Studies, Gender Studies, Social Justice Studies, and related majors in the CSU system. Students who choose to major in Social Justice Studies and related fields have a wide range of career options: activists, community organizers, public policy analysts, conflict resolution specialists/mediators, NGO workers, human rights groups, political campaigners, workers in environmental organizations, alternative media, human rights

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

2019-2020 CATALOG

DESCRIPTION

The Music Department at Cuesta College offers Associate degrees in Music Performance and Jazz Studies, and a Certificate in Audio Technology. Each of the degrees and the certificate offers students in-depth study, taught in state-of-the-art classroom, studio, and performance facilities. The Department offers a variety of performance ensembles, including classical and jazz ensembles in instrumental and choral areas. Private instruction is available for wind, brass, percussion, vocal, guitar, and piano students. In addition, a transferable set of music theory courses are an integral part of the Performance and Jazz Studies degrees, as well as courses in jazz improvisation, class piano and guitar, and music appreciation.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor's degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate's Degree, a student must: (1) complete each major-specific course required for the degree with at least a "C" grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or lateral transfer within their existing field of employment. To qualify for a Certificate of Achievement or a Certificate of Specialization, a student must 1) complete all courses required for the Certificate with an overall grade point average of 2.0.

NUTRITION

ASSOCIATE DEGREE & CERTIFICATE PROGRAMS

2019-2020 CATALOG

DESCRIPTION

The Cuesta College Nutrition program offers students a variety of interesting and challenging courses for students to learn about chemicals and nutrients in food and their effects on the human body and the world. The study of nutritional science contributes to preparing students for careers as nutritionists, registered dietitians (RD), food scientists, or other dietetics professionals. The Associate in Science in Nutrition and Dietetics for Transfer degree (AS-T in Nutrition and Dietetics) prepares students for success in a baccalaureate degree in Nutrition and Dietetics with the lower-division coursework required to transfer into the CSU system. The Cuesta College Nutrition program provides a broad foundation in a practical and personally applicable exposure to a variety of scientific areas of nutrition such as chemistry, biochemistry, microbiology, anatomy, physiology, and biology.

Popular topics include microbial pathogens, environmental contaminants, nutrigenomics, macronutrient balance, energy metabolism, obesity, global issues, biochemistry of exercise, and micronutrient and phytochemical utilization. Students in the program learn how the scientific method and process contributes to nutritional requirements and how nutrients function from a cellular to more practical level, and then apply this knowledge to their own health. The program ultimately helps students understand the role of nutrition in disease prevention throughout the lifecycle and as an impact on society as a whole. The Nutrition program offers courses that meet college requirements in GE, a Nutrition Certificate, and Diversity and offers courses in both face-to-face and Distance Education modalities.

ASSOCIATE DEGREE AND CERTIFICATE PROGRAMS

An Associate Degree, depending on the focus of study, is designed to prepare students for transfer into upper division course work in a bachelor's degree program, or, to prepare students to enter the workforce in a particular vocational field. To qualify for an Associate's Degree, a student must: (1) complete each intraspecific course required for the degree with at least a "C" grade or better, (2) complete all Cuesta College general education, graduation and residency requirements, and (3) achieve an overall grade point average of 2.0 for all courses attempted (major, general education, elective).

A Certificate Program is designed for students who desire specific training to meet an immediate occupational or personal goal, or for promotion or

COURSES OF INSTRUCTION

COURSES OF INSTRUCTION

In the following list of courses, the credit value of each course in semester credits is indicated by a number in parentheses after the course title.

Course descriptions followed by the notation (Transfer:...) indicate that the course is transferable to the California State University system, to the University of California system, or both. A student should contact a counselor to determine which courses are applicable to the student's educational objective.

COURSE NUMBERING

000-099 Non-Degree Applicable and Non-Transferable
100-199 Degree Applicable and Non-Transferable
200-299 Degree Applicable and Transferable
400-499 Non-Credit Emeritus College Courses
500-599 Non-Credit Courses
700-799 Non-Credit ESL and Vocational ESL Courses

Special Topics (093/193) These are course offerings designed in specific disciplines to test new curriculum before adopting it as a part of an academic program. Course credit values range from 0.5 to 4.0 credits.

Independent Study (047/147/247) These courses are academic opportunities for students who are capable of independent work and demonstrate the need or desire for additional study, beyond the regular curriculum. These courses are not intended to replace existing courses in the discipline. In this course, students will have a written contract with their instructor for activities such as: preparing problem analysis, engaging in primary research, preparing reports, and meeting with the instructor at specific intervals.

PREREQUISITE, COREQUISITE, ADVISORIES AND LIMITATIONS ON ENROLLMENT

The San Luis Obispo County Community College District has adopted a policy in order to provide for the establishing, reviewing and challenging of prerequisites, corequisites, and advisories.

Definitions:

Prerequisite means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. **Courses used to satisfy a prerequisite must be completed with a grade of "C" or better.**

Corequisite means a condition of enrollment consisting of a course that a student is **required** to simultaneously take in order to enroll in another course.

Advisory means a condition of enrollment that a student is **advised, but not required**, to meet before or in conjunction with enrollment in a course or educational program.

Limitations on Enrollment means a condition of enrollment which may include the following:

- a. Auditions or tryouts for courses which include public performance and intercollegiate competition, such as a band, orchestra, theater, chorus, and intercollegiate athletics.

Repeatable Courses

A repeatable course is identified in the college catalog and online Class Finder as repeatable more than one time.

A non-repeatable course is a course in the college catalog that is not identified as repeatable.

COURSE FAMILY REPEATS

Enrollment in active participatory courses in physical education, visual arts, or performing arts that are related in content (courses where individual study or group assignments are the means by which learning objectives are obtained) is limited to no more than four times maximum. This limitation applies even if a student receives a substandard grade or "W" during one or more of such a course or petitions for repetition due to extenuating circumstances.

Cuesta identifies the following active participatory course families where enrollment is limited to a maximum of four (4) times within the repeat family group under the following conditions:

- Equivalent courses are counted in the four (4) enrollment maximum.

Example: KINA 246 was formerly PEAC 286 (Yoga) so past earned grades and "W" for PEAC 286 count toward overall 4 enrollment maximum.

- A course that is completed with a passing grade of "C" or higher may not be repeated within the family group.
- A course where a substandard grade or "W" grade is earned may be repeated to earn a passing grade.
 - o A student will be blocked from enrolling for a third (3rd) attempt for a single course within a family repeat group if two (2) prior substandard grades are earned. The student will need to submit a Third Enrollment Agreement to be released to enroll for a third (3rd) attempt in the same course.
 - o Substandard Grade - a grade of "D+," "D," "D-," "F," "FW," "NP," or "NC."
- A maximum of three (3) "W" symbols may be earned for a course. A student will be blocked from registering for a course where three prior "W" symbols have been earned for a single course within a family repeat group.
- In-progress courses without a final grade are counted in enrollment of family repeat group.

2.00 hours per week: (2.00 lecture hours/0.00 lab hours)

Credit - Degree Applicable

Letter Grade or P/NP

Prepares students for employment, soft skill development and inter-collegiate competition in Career Technical Education. SkillsUSA is a partnership of students, teachers and industry working together to ensure America has a skilled workforce. Students will learn to plan projects, work in teams, solicit community support and develop a range of skills valued by employers. Students registered for this class may not register for cross-listed classes during the same semester. Participation in the SkillsUSA chapter activities and/or competition is required. This course may be repeated up to three times for credit when participating in different competitions.

Credit - Degree Applicable

Letter Grade Only

Prerequisites: CHEM 201A

Advisories: CHEM 201B

Presents a detailed introduction to the principles, concepts and terminology of biochemistry with an emphasis on the structure and function of biological molecules and the role of metabolism in energy production. Topics include the fundamental structures, chemistry, and properties of four groups of biological macromolecules (carbohydrates, lipids, proteins and nucleic acids) and their building blocks. This course will also present protein structure and function, enzyme catalysis, and the details of the central metabolic pathways (e.g., glycolysis, gluconeogenesis, the citric acid cycle, electron transport, and oxidative phosphorylation) including their regulation and integration. Throughout the course the organizing principles of biochemistry and the distinctive characteristics of the living state will be emphasized.
